

To the Members of the California State Assembly:

I am returning Assembly Bill 2295 without my signature.

While I am generally very supportive of increasing student awareness of career opportunities and guidance in career technical education so that they can be better prepared in workforce competencies, no additional statutory authority is necessary for school districts to provide the services outlined in the bill. Therefore, this bill is unnecessary.

Furthermore, the California Performance Review (CPR) taskforce report will provide a more appropriate venue for consideration of these goals in concert with other components of a more preferable systemic approach to workforce preparation and career technical education.

Therefore, I am unable to support this bill.

Sincerely,

Arnold Schwarzenegger
